

Sherry's Run

5K Run/Walk

Through faith and love create an environment for all those affected by cancer, which provides hope, knowledge, assistance, support and compassion.

Teams:

A team is any group of five or more participants. Team members can be all ages and can be a combination of walkers and runners.

Participating in Sherry's Run on a team is a great way to enhance your experience with friends, fellow co-workers or neighbors as a more meaningful experience. The support of a team makes training, walking, running and fundraising easier. Teammates help you hold each other accountable and motivated. If your team becomes one of the top teams, your fundraising and recruitment efforts will be recognized on the web site and the day of the event.

A team multiplies the excitement, laughter, tears and hugs and also makes more of an impact on the fight against colon cancer. Together, along with your team members you form a force much greater than you can do alone.

You don't have to wait to form a team before registering. Sign up today **on-line** and then get your friends and family together to join you.

If you register as a team captain, you will receive a Team Captain Kit to help you begin building your team.
