Saturday, September 11, 2010, 8 a.m.

Through faith and love create an environment for all those affected by cancer, which provides hope, knowledge, assistance, support and compassion.

Dear:

I am participating in a very special event. **The Sherry's Run 5K Run/Walk** is to benefit the treatment of cancer, with an emphasis on colon cancer. Our goal is to present an exciting event and raise much needed awareness-and of course funds for colon cancer. The funds raised benefit those affected by cancer in our community. My personal goal is to raise \$_____ for the run.

This effort is very important to me and I hope you will consider supporting me. Here are three simple ways you can do that:

1. Donate in my name. Go to www.sherrysrun.org and click on the donate link. It will link you to Active.com. Simply find my name or our team name of _____ in the View Fundraising Page, and you can donate through the secure online system.
2. Send a check along with the enclosed donation form, made out to Sherry's Run, back to me or directly to Sherry's Run P.O. Box 8, Lebanon, TN 37088. Please indicate on the form that you are doing this for me and/ or my team.
3. Join me for the event! You can learn more about the event and sign up at www.sherrysrun.org

The funds raised at this event will:

- Provide test kits to hundreds of individuals
- Assist with providing discounted medical services, prescriptions, gas cards and co-pay assistance to those who otherwise could not afford it
- Provide information about colon cancer screening through the area
- Contribute to research in finding a cure for cancer
- Invest in model programs that will help those underinsured or noninsured to receive colorectal cancer screening

I hope you will see the value of supporting me and this critical effort against cancer. If we all work together, we can help colon cancer lose its standing as the number two cancer killer in the nation.

Sincerely,

Sherry's Run will help any family affected by an kind of cancer that lives, works, attends church or seeks treatment in Wilson County that has a true need.
